What our visitors are saying:

“This latest BuildNZ would have to be the best for our struggling industry and came along at the right time.”

“Excellent event where you can learn industry trends.”

“It was great to finally catch up with people from the industry again - so much has happened in the past 2 years!”

“To have such a diverse range of suppliers under one roof is great as it covers a number of areas and makes the day so much more worthwhile.”
